Acknowledgment of Notice of Privacy Practices

Federal Law requires us to adopt privacy practices. Mind And Body Restored has adopted the standard HIPAA policies that apply to every HIPAA covered entity. This document is available on the online patient portal and patient forms available through the website www.mindbodyrestored.com. Federal Law requires us to have you acknowledge that you have been informed.

By signing this form, you acknowledge that you have had the opportunity to receive and review our Notice of Privacy Practices referred to as the Privacy Notice. The Privacy Notice describes in detail how Mind And Body Restored might use or disclose your protected health information. The Privacy Notice discusses your rights and Mind And Body Restored's duties with respect to your protected health information. You have the right to review the Privacy Notice before signing the **Patient Registration Packet** Form. By signing the **Patient Registration Packet**, you further acknowledge that medical information collected at Mind And Body Restored will be stored in the medical record system know as Tebra.
